Export of these commodities, software or technology is subject to the export control laws and regulations of the United States, the European Union, and/or other applicable jurisdictions. These items are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining any required governmental approval(s) or as otherwise authorized by applicable laws and regulations. Diversion contrary to the U.S. Export Administration Regulations and/or other applicable laws is prohibited.
